

Contact with Plymstock School

Who should I contact?

Please send your email to just one address or individual. Contacting multiple staff on an issue at the same time blurs lines of accountability and can make it less clear who the intended recipient is thus slowing down the response. Feel free to copy (cc) others in, for information.

If you have a query or need to pass on information specifically regarding either **safeguarding or attendance**, then please contact those teams directly.

Team	Contact
Safeguarding	Email – safeguarding@plymstockschool.org.uk
Attendance	Email – attendance@plymstockschool.org.uk

If you have a more general academic or pastoral question or concern, please raise this in the first instance with your child's Head of Year or tutor. They will then be able either respond themselves, or ensure your message gets to the most appropriate person to get back to you.

When will I hear back?

Schools are busy places, and often our staff have little flexibility in when they are able to dedicate time to responding to emails due to teaching or other commitments or indeed absence from school for illness, professional development or other possible reasons. However, it is important to us that your queries and concerns are acknowledged and then resolved as swiftly as possible.

Generally speaking, we will aim to respond to any email or phone message **within 48 weekday hours**.

If you have not had a response **within two full working days** (e.g. if you make contact early on a Tuesday and you have not had a response by the end of Thursday) then please forward your email to the 'escalation contact' below. This mailbox will be monitored with the aim that we can be able to support the team that you have contacted to get a response to you or to provide reassurance that your contact is being addressed.

The Headteacher's PA's email address is kchapman@plymstockschool.org.uk

This email address can be used for general queries where it is not clear who the query should be addressed to. The query will usually then be addressed to the most appropriate person to deal with it and an acknowledgement should be received in line with the timescales above. The Headteacher will be made aware of the nature of the contact but may not be the most appropriate person to respond.
