

Monday 19 January 2026

Dear Parent/Carer,

RE: YEAR 9 CURRICULUM CHOICES – SAVE THE DATE

As we move through the Spring Term, we are beginning the important process of planning for next September, when our current Year 9 students will start their GCSE courses in Year 10.

I had the privilege of launching the Curriculum Choices (Options) process with Year 9 students during their assembly on Friday. I was incredibly proud of how attentive, thoughtful, and engaged the students were as they were introduced to the next stage of their learning journey.

To support families at this early stage, a narrated version of the presentation shared with students is now available on the school website:

[Plymstock School - Options](#)

You may find this helpful should you wish to familiarise yourself with the key messages and information that have been shared so far.

We would also like to ask you to **save the date** for our Year 9 Curriculum Choices Evening, which will take place on:

Thursday 19 March 2026

This evening will provide an opportunity for you to:

- Learn more about the subjects on offer at Key Stage 4
- Speak directly with subject representatives
- Receive important guidance and advice from school to help support informed decision-making

We will write to you again over the next few weeks with further details about the event and the wider options process. At this stage, we kindly ask that you note the date in your diary.

Thank you for your continued support as we work together to help students make confident and well-informed choices for their future.

Yours faithfully,

Charlotte Campbell
Deputy Headteacher
