Dear Parent/Carer,

RE: YEAR 11 PARENT INFORMATION EVENING

As your child begins Year 11 at Plymstock School, we would like to invite you to our Parent Information Evening on Monday 14 September in the PAC (Performing Arts Centre).

Year 11 is a significant milestone in every young person's education. It is a year that will shape the opportunities and choices that follow, and we want to ensure that every student is supported to make the very best of it. The evening will provide an opportunity to share important information, key dates and practical guidance about how you can support your child throughout the year.

We appreciate that this is a relatively short turnaround for families, but we are keen to hit the ground running and establish a strong partnership between home and school from the very start of Year 11. We hope you will be able to join us for what we feel will be a valuable evening.

During the session, we will cover:

- Mock examinations and Summer 2027 GCSE exams
- Effective strategies to help students maximise success and manage their workload
- Period 6 sessions and the Passport to Prom
- How we can work together to support every young person to achieve their very best.

Our aim is to ensure that you have a clear understanding of what lies ahead and feel confident about how best to support your child. Working closely together – students, families and school – will be an important part of helping our young people make the most of this milestone year and achieve their best possible outcomes.

There will be two identical sessions to choose from, so please attend whichever is most convenient for you. As we expect the evenings to be busy, pre-booking your preferred session is advisable to help us manage numbers and ensure that everyone can be accommodated comfortably.

Attendance with your child is entirely optional. However, we would warmly encourage you to attend together where possible, so that you both receive the same information and guidance and can start the year with a shared understanding of the expectations and opportunities ahead.

Session 1

We look forward to seeing you and to working in partnership with you throughout this important year, as we support every young person to achieve their best and take their next steps with confidence.

Yours faithfully,
