Dear Parent/Carer,

**RE: Year 11 – Parent Information Evening Follow-Up & Information Hub**

Thank you to everyone who joined us for our Year 11 Parent Information Evening this evening. It was wonderful to see so many of you there, and I hope the session provided a helpful overview of the year ahead and, importantly, how we will work together to support our students through this important final year.

For those who were unable to attend, please don't worry; you haven't missed out! We have created a dedicated Year 11 page on the school website, which will become our one-stop shop for all things Year 11 for parents/carers.

This is a page that we will continue to develop and update throughout the year, adding important information, key dates, resources, guidance and other useful updates as they become available. The Year 11 page currently includes:

- **The narrated Parent Information Evening presentation:** For those who couldn't attend, the presentation is a recording of the full session, which was just over 37 minutes long. So, grab yourself a cuppa, take a comfy seat and settle in! For those who attended this evening, you may also find it useful to revisit particular sections or share the presentation with someone at home who wasn't able to join us.
- **Key Year 11 dates:** We have included some of the key dates that we are currently in a position to share. This is not intended to be a complete list of every event for the year. As further dates are confirmed, we will continue to add them to the page.
- **Resources and guidance:** As the year progresses, we will continue to build the page with resources and guidance to support parents/carers.
- **Your Year 11 team:** We have also included information about some of the key colleagues supporting Year 11.

**If you attended this evening...**

We would really appreciate you taking a few minutes to complete our short feedback survey.

Your feedback is genuinely valuable and will help us to understand what was useful, what could have been clearer and how we can continue to improve the information and support we provide to Year 11 families.

Year 11 is an important year, and there will inevitably be moments when students feel the pressure of examinations, deadlines and decisions about what comes next. Our aim is to make sure that students feel supported, informed and confident about what they need to do, while ensuring that families have the information and guidance they need to support them at home.

We look forward to working with you throughout the year and celebrating the progress and achievements of our Year 11 students along the way.

Yours faithfully,
